

ASM24

Annual Scientific Meeting

Pre-congress Workshop Endometriosis CNS Education Day

Objectives

This BSGE ASM 2024 Pre-congress workshop day aims to provide education to enable the CNS to develop the knowledge and skills required to enhance individual practice.

Description

The programme will aim to cover following topics in the morning followed by lunch and Endometriosis Live Surgical masterclass in the afternoon.

- Psychosexual Aspects of Physiotherapy for Women with Pelvic Pain due to Endometriosis
- Physiotherapy for Patients with Persistent Pelvic Pain due to Endometriosis
- Imaging Modalities in Endometriosis
- Preparing Endometriosis Patients with Fertility Issues for IVF
- Irish Endometriosis CNS Overview

Delegates will be able to claim 5 CPD credits for attendance.
