

ASM24

Annual Scientific Meeting

Pre-congress Course RIGS Intermediate Laparoscopic

This intensive practical simulation course is arranged jointly by BSGE RIGS. The aim of the course is to cover key operative laparoscopic requirements within the RCOG curriculum. These include laparoscopic salpingectomy, ovarian cystectomy, oophorectomy and retrieval of specimens.

BRITISH SOCIETY for GYNAECOLOGICAL ENDOSCOPY

Provisional programme

08:00-08:10	Registration & Coffee	
08:10-08:30	Presentation	Laparoscopic Anatomy
08:30-08:50	Presentation	Electrosurgery
08:50-09:30	Practical	Use of electrosurgery instruments
09:30-09:50	Presentation	Surgical Management of Ectopic Pregnancies: salpingectomy & salpingotomy
09:50-10:40	Practical	Surgical Management of Ectopic Pregnancies: salpingectomy & salpingotomy
10:40-11:00	Coffee & Breakfast Break	
11:00-11:20	Presentation	Ovarian cystectomy & torsion, oophorectomy
11:20-11:40	Presentation	Specimen retrieval
11:40-12:30	Practical	Ovarian cystectomy
12:30-13:00	Practical	Specimen retrieval
13:00-13:45	Lunch Break	
13:45-14:05	Presentation	Laparoscopic suturing
14:05-14:50	Practical	Laparoscopic suturing including intracorporeal/extracorporeal knot tying
14:50-15:10	Refreshment Break	
15:10-15:30	Presentation	Surgical management of Pelvic Abscesses
15:30-16:30	Practical	Ectopic/Cystectomy/Suturing OSAT Assessments

In addition, the day will include a re-cap of relevant anatomy, electrosurgery techniques and the chance to practice and develop skills in laparoscopic suturing. The course is aimed at ST3 trainees and above or others with the equivalent surgical experience. There will be opportunities for delegates to complete OSATs assessments of their choice using the laparoscopic simulators.

Delegates will be able to claim 7 CPD credits for attendance.

Wednesday 1st May 2024

Start time: 08:00

End Time: 16:20

**Registration
fee: £250**

**Maximum
delegates: 24**

Address:

Hall 2A
ICC Belfast
2 Lanyon Place
Belfast
BT1 3WH

**Course
organisers:**

- > Lina Antoun
- > Samantha Kirkwood
- > Mark McComiskey
